Key:

	Does not contain	✓	Contains the allergen
	Does not contain the allergen, however the allergen is present in the manufacturing environment		

**NB: We have taken all reasonable steps to ensure that this table is accurate. However, we cannot guarantee that the product is '100% free from' that component because of the risk of unexpected cross-contamination.**

Allergy data detailed in the table has been derived from specifications obtained from the suppliers of the products

Please note that due to the nature of cooking our deep fried products cannot be guaranteed to be free from cross contamination with other allergens. If you are unsure which of our products go through the deep fryer please ask a member of staff
